Malia is the purple girl from Mikaela and Shogun's third litter. There were five girls and three boys in that litter. Four of the puppies were placed in show homes. White Spirit's Over The Moon (Jack -- black boy), White Spirit's New Silvermoon (Malia -- purple girl), White Spirit's Sweet Magnolia (Maggie -- turquoise girl), and White Spirit's Ella Enchanted (Ella -- pink girl).

Malia is my powerhouse! She can start running twenty feet away from me, jump into the air and completely turn herself around while still in the air, and be sitting next to me in a swing. It does take your breath away. Due to all of her acrobatics, I decided to try Agility. It was the right thing to do, we both love it! We plan on doing some agility competition in the future. Malia is doing great, but I need more practice!

Now that Malia has been able to focus, I decided it was time to start to show in the conformation ring. So we headed for our first dog show in Lake Mathews April 29-30, 2011. The wind was blowing, I was feeling a little nervous. To my surprise she said "No problem!"

Malia was Winners Bitch both days, for her first two points! We headed for Mission Circuit on Saturday May 28, 2011. Under judge Sulie Greendale-Paveza Malia was Best Of Winners and Best Bred By Exhibitor, for a three point major! She went on to win a Group One, out of the Bred By Exhibitor Working Group. Malia didn't take long to finish her championship! It was a mere 6 months!

Malia has wonderful reach and drive with side-gate that covers a lot of ground. If you were on a sled in a storm, she is the girl you would want with you. She is at the top of the standard in height, she has good bone, and well bent stifles, a 45 degree shoulder layback, and a beautiful neck and head.

She is a very loving girl, and loves to play with her father, Shogun, and is best friends with her half-brother, Rider (White Spirit's Rider On The Storm).

Malia whelped a litter of 7 puppies (5 boys and 2 girls) on June 8, 2012. The sire is CH Polar Mist's Muhammed Ali. See pictures of Malia...
