Jack is the black boy out of Shogun and Mikaela's third litter. He is a lady's man and he loves girls; four legs or two legs, it doesn't matter to him! He has a lovely disposition, loves children, and does well with most other dogs. Jack lives with my granddaughters on three acres and with one of his littermates, Ruby, the red girl. He is all boy; his favorite pastime is to dig a big hole and spend the day laying in it, and the muddier the better! This doesn't make being a show dog an easy thing to accomplish! When Jack comes to visit, he spends a lot of time in the tub, sometimes two weeks getting ready for a show. He has good bone, large hare feet and a beautiful double-coat that stands up off his body and forms a ruff around his neck. His eyes are a lovely almond shape, slanting toward the base of his ears. He has wonderful black pigment. He also has a beautiful head with the right proportions.

Jack has good reach and drive and, inherited from his mother Mikaela, outstanding smooth side-gate.

Jack finished his Championship in style, at the Samoyed Specialty show in Indio, CA on January 4, 2013. It was held at the Polo Club. Judge Michelle C. Mulligan awarded Jack Winners Dog for a five point major and an Award Of Merit,

Jack is available at stud to approved bitches.
