White Spirit's New Winter Moon Brooklyn Date of Birth: November 19, 2016 AKC#WS55564401 Brooklyn lives here at White Spirit Samoyeds with June and her mother Malia. She is out of our Yuki x Malia litter. Brooklyn was the lavender girl. There were four puppies in the litter, two girls and two boys. Yellow boy became White Spirit's Subarktika Taiga and earned his championship at the tender age of ten month old. Taiga lives with Carol Haas in Alaska. Black boy became White Spirit's Aurora Borealis. Bo lives in Alaska with Gary and Jenifer Arnold. Bo will be shown this year 2018. You will find Bo and Taiga's photos in the Bred By White Spirit gallery (link on the left). The turquoise girl is Myla and lives here in California. She is loved by Angela. Brooklyn is a very fun-loving and mischievous girl, keeping all of us on our toes. At this time she is just over a year old. She carries a toy everywhere she goes, is never tired of playing. We have high hopes for Brooklyn, she is structurally beautiful and moves like a dream. You can watch her grow up in her gallery of photos we will be adding throughout the years.
